COMMENTS INVITED ON APPLICATION OF TV CABLE OF WINAMAC, INC. TO DISCONTINUE INTERCONNECTED VOIP SERVICES

WC Docket No. 14-91
Comp. Pol. File No. 1159

Comments Due: June 30, 2014

On June 6, 2014, **TV Cable of Winamac, Inc.** (TV Cable or Applicant), located at **215 W. Kellner Blvd., Suite 19, P.O. Box 319, Rensselaer, IN 47987**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue interconnected Voice over Internet Protocol (VoIP) services in Indiana.

In its application, TV Cable states that it currently offers interconnected VoIP services to customers in Fulton County and Pulaski County within the state of Indiana (Service Areas). TV Cable explains that these services can be used for local, intrastate and interstate calling, and that it currently provides service to approximately 250 customers located in the Service Areas. TV Cable indicates, however, that it intends to sell its cable system and discontinue service and operations in the Service Areas on or after July 15, 2014, when the proposed sale of its system is consummated. According to TV Cable, customers will not experience a disruption in their service because Applicant has arranged for services to be provided by Pulaski White Communications, Inc., a company that provides interconnected VoIP service under the name Lightstream. TV Cable asserts that it notified all affected customers of the proposed discontinuance by letters sent via U.S. Postal Service Mail on June 6, 2014. TV Cable indicates that it is an interconnected VoIP service provider and that it understands its application will proceed pursuant to the rules for non-dominant providers.

In accordance with section 63.71(c) of the Commission's rules, TV Cable's application will be deemed to be granted automatically on the 31st day after the release date of this public notice, unless the Commission notifies TV Cable that the grant will not be automatically effective. In its application, TV Cable indicates that it plans to discontinue service and operations in the Service Areas on or after July 15, 2014. Accordingly, pursuant to section 63.71(c) and the terms of TV Cable's application, absent further Commission action, TV Cable may discontinue interconnected VoIP services and operations in the Service Areas on or after **July 15, 2014**, in accordance with TV Cable's filed representations. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

Comments objecting to this application must be filed with the Commission on or before **June 30, 2014**. Such comments should refer to **WC Docket No. 14-91 and Comp. Pol. File No. 1159**. Comments should include specific information about the impact of this proposed discontinuance on the commenter,
